## A Conference For **ALL SCIENCE EDUCATORS**

### YOUR SOURCE FOR SCIENCE

- Hear from motivational speakers and discover practical strategies to elevate your impact as a science educator.
- Attend high-quality workshops and short courses led by your fellow educators and experts.
- Gain access to more than 150 workshops, short courses, Keynote and Focus Speaker Sessions.
- Network with friends, educators and partners throughout California.
- Get timely updates to help with curriculum materials, assessment and testing.
- Visit your favorite companies and connect with new ones who offer a wealth of resources in the Expo Hall
- Have fun with the science community at in-person evening events and more!
